**Welcome to the procedure to get you setup for your first virtual class!**
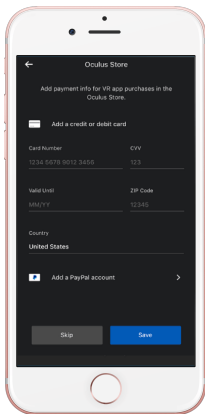

It will approximatively take 10 minutes

Download the Oculus app on your Smartphone
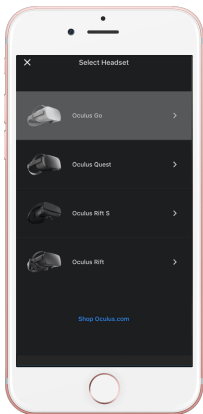

Once downloaded, open the Oculus app. You can either login with Facebook or create a new account with an email address

SKIP PAYMENT

After logging in, you'll get asked for payment methods, **Skip it.** You'll have then to create a pin
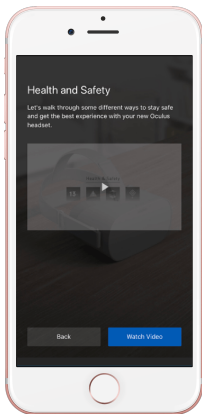

4   **CHOOSE OCULUS GO**
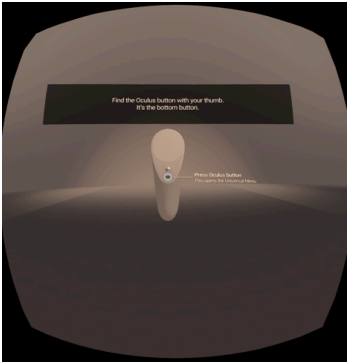

Among the selection of headsets, choose the Oculus Go.

Click Start Now and follow the instructions on your phone

When you get to the Health and Safety step, you'll have to watch the video, no way around it, sorry :)

SOFTWARE UPDATE & TUTORIAL

Wait for your VR headset software update (it may take a couple minutes) and put it on to follow the tutorial.

REMOVE YOUR VR HEADSET

Once you get to that screen, take off your VR Headset and take your phone

Go to « Settings » on your Oculus app
Here, copy the email address you see right under your name.
On the example below, the email is
"albert@einsteinstudios.io"

Once the email adress copied, text it to +1-408-881-3708.

Shortly, you will receive a text back saying that you have been added to the Einstein Studios private channel

You will receive shortly an email "FWD from Oculus", on the email adress you sent to us. Open it and accept the invitation.
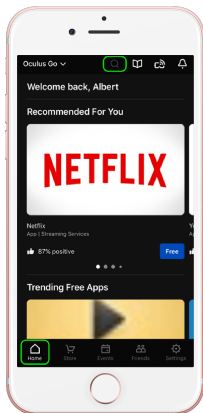

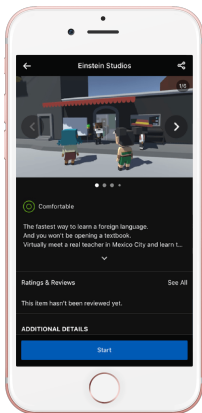

Congrats!

You now have access to the pre-release app in the Oculus App within the "My Preview Apps" section.
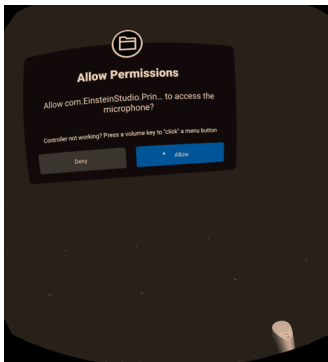

Back to My Account

Go to the Oculus app on your phone, on the Home tab at the top, click on the Search icon and search for « Einstein Studios ». Downdload our app

PRESS START BUTTON

Once downloaded, click the « Start » button and put your Oculus VR Headset on.

ALLOW ACCESS TO MICROPHONE

When asked if you allow access to the microphone, point and click on « Allow ».

After logging in as Student, select an avatar and click on
« Ready »

ENTER EINSTEIN STUDIOS EMAIL/ USERNAME

Enter the username or email address you used when signing up for your Einstein Studios account and click on « Enter »

Dont use the email adress from your Oculus account

FINAL SCREEN

You should land on this screen which means the set up is done! Congrats!

Don't forget to charge your headset before the class! ENJOY :)
